[Rule Change Will Expand Veterans' Health Care](#) (*Courier-Journal*)

Phyllis Kruer served in the Navy and has a simple philosophy about veterans' health care: "If someone's gonna risk their life, they should be taken care of."

So she opposes a 6-year-old rule that bars most middle-class veterans who weren't injured in the military from enrolling, as she has, in the U.S. Department of Veterans Affairs medical system.
