[Doctors Say VA Care is a Model of Efficiency](#)

(MPR News)

One argument against a public insurance option in the current debate over healthcare is that government typically isn't as efficient or proficient as the private sector. But some say that the Department of Veteran Affairs medical care is actually an excellent example of how the government is leading on healthcare quality and cost.

[New Approach to PTSD Offers Service Members Greater Privacy, Reduced Stigma](#)

(<http://www.af.mil/>)

Service members seeking help for deployment-related post-traumatic stress disorder now have the option of being treated through primary care channels at a new pilot program offered at Wilford Hall Medical Center.

The primary goal of this new research program is to offer effective therapy for PTSD within the primary care environment, where servicemembers are likely to feel more comfortable seeking mental health assistance.

Government Job Opportunities

[Maxim Government Services](#) (MGS), a division of [Maxim Healthcare Services](#), provides healthcare professionals with employment opportunities in federal government agencies across the nation. We are a privately-owned, for-profit organization, incorporated in the State of Maryland under TIN# 57-1161169.

Under our FSS/VA contract V797P-4516a, Maxim Government Services is one of the few GSA Schedule holders fully approved to staff every category of healthcare personnel within the 621-I Schedule. Our unique ability to deliver long-term, contracted staff and traveling medical professionals, as well as an abundance of qualified and pre-screened per diem and part-time staff, gives MGS a strong understanding of the expectations of providing contract healthcare staff in federal government healthcare facilities.
