In the News

[Army Lab Works to Improve Soldier Health, Performance](#)

www.army.mil

Nestled in the shadows of the Boston skyline, scientists and Soldiers in a one-of-a-kind Army laboratory work quietly behind the scenes to improve the health and performance of today's troops.

Though it's known to relatively few outside of scientific and academic circles, the lab's work leaves its fingerprint on nearly everything Soldiers eat, wear, and use.

Government Job Opportunities

[Maxim Government Services](#) (MGS), a division of [Maxim Healthcare Services](#), provides healthcare professionals with employment opportunities in federal government agencies across the nation. We are a privately-owned, for-profit organization, incorporated in the State of Maryland under TIN# 57-1161169.

Under our FSS/VA contract V797P-4516a, Maxim Government Services is one of the few GSA Schedule holders fully approved to staff every category of healthcare personnel within the 621-I Schedule. Our unique ability to deliver long-term, contracted staff and traveling medical professionals, as well as an abundance of qualified and pre-screened per diem and part-time staff, gives MGS a strong understanding of the expectations of providing contract healthcare staff in federal government healthcare facilities.

[More information](#)

We staff healthcare professionals in government agencies across the nation, offering excellent benefits and pay. Below is a sample of our current job openings. If you are interested in applying, please provide your contact information in [a brief online form](#), or simply reply to this email.
