In the News

[Walter Reed Marks 100 Years of Warrior Care](#)
(www.army.mil)

Walter Reed Army Medical Center first opened its doors May 1, 1909 as an 80-bed hospital.

Today the 247-bed center is one of the world's premiere medical facilities with 60 outpatient clinics and 16 operating rooms -- combining patient care, teaching and research.

[E-Records Open Up Care to Veterans](#)
(pntonline.com)

President Obama's ambitious plan to establish a lifetime electronic record for service members and veterans will improve delivery of benefits, speed processing of claims and, over time, open VA health care to any veteran, regardless of their medical condition or income level.

VA Secretary Eric Shinseki first raised the idea of a more sophisticated electronic record system, and linked it to automatic enrollment by all veterans in the VA health system, during a House hearing in February.

[Maxim Government Services](#) (MGS), a division of [Maxim Healthcare Services](#), provides healthcare professionals with employment opportunities in federal government agencies across the nation. We are a privately-owned, for-profit organization, incorporated in the State of Maryland under TIN# 57-1161169.

Under our FSS/VA contract V797P-4516a, Maxim Government Services is one of the few GSA Schedule holders fully approved to staff every category of healthcare personnel within the 621-I Schedule. Our unique ability to deliver long-term, contracted staff and traveling medical professionals, as well as an abundance of qualified and pre-screened per diem and part-time staff, gives MGS a strong understanding of the expectations of providing contract healthcare staff in federal government healthcare facilities.

Career Tip of the Month

[Work Strategies for Night Owls and Early Birds](#)
([allhealthcare.com](#))

For night owls and early birds, the traditional 9-to-5 workday can be agonizing. The exhausted night owl drags himself bleary-eyed into the office every morning, while the chipper early bird finds his energy waning well before quitting time.

But there are ways to cope. Experts offer these workplace survival strategies for those with body clocks out of sync with their employers' hours.
