[Baltimore VA Medical Centers Join Epilepsy Research Network](#)

[\(http://baltimore.bizjournals.com/baltimore/\)](http://baltimore.bizjournals.com/baltimore/)

The Veterans Affairs Maryland Health Care System will become part of a new Northeast Epilepsy Center of Excellence Network.

Funded by a five-year, \$6 million federal grant, the network will include VA medical centers in Baltimore, Richmond, Va., and West Haven, Conn. The VA systems will share epilepsy data with academic research centers.

[VA Center Helps Veterans Make Transition to Civilian Life](#)

[\(http://www.tuscaloosanews.com/\)](http://www.tuscaloosanews.com/)

To help veterans of the wars in Iraq and Afghanistan adjust to life outside the military, the Tuscaloosa Veterans Affairs Medical Center opened a transition center in 2006. The center is a one-stop shop for veterans returning from war. Veterans see a primary Physician and a social worker and can receive psychological, medical and social support if needed.

[Maxim Government Services](#) (MGS), a division of [Maxim Healthcare Services](#), provides healthcare professionals with employment opportunities in federal government agencies across the nation. We are a privately-owned, for-profit organization, incorporated in the State of Maryland under TIN# 57-1161169.

Under our FSS/VA contract V797P-4516a, Maxim Government Services is one of the few GSA Schedule holders fully approved to staff every category of healthcare personnel within the 621-I Schedule. Our unique ability to deliver long-term, contracted staff and traveling medical professionals, as well as an abundance of qualified and pre-screened per diem and part-time staff, gives MGS a strong understanding of the expectations of providing contract healthcare staff in federal government healthcare facilities.

Career Tip of the Month

[Reduce Nursing's Physical Strain](#)
(<http://allhealthcare.monster.com/>)

Nursing can be hazardous. There are infectious diseases, blood-borne pathogens, chemical exposures and workplace violence, not to mention the fact that caring for patients is just plain exhausting. How can you minimize the job's physical demands? Susan Randolph, MSN, RN, president of the American Association of Occupational Health Nurses, offers some healthy reminders.
